Dedication

The true value of Dedication can never be won, it can only be earned. Because you were always there during a moment of distress with a generous helping hand or idea, you have truly earned our full gratitude and respect. To us you represent an advisor, a teacher and a friend. We wish there were some way of attempting to repay the immense debt that we owe you. Because of this debt, we give the most precious memories that we have of our school to you. A year of our work can only begin to repay our debt for your years of interest, help and friendship. To you, Mrs. Hummel, we the class of '68, dedicate our yearbook.

Senior Appreciation

We knew we had many tasks to face and many goals to achieve throughout our years at M. C. S.

In our daily routine we went to Phys. Ed. Class where we broke away from the books. As we progressed through the past years, we came to know and respect you not just as a teacher, but as a dear friend. As in any class we had a few bad times but the good ones surely outnumbered them. We sincerely hope that this expression of our appreciation emphasizes this.

From grades 9-12 a few of us were very close to you as our Cheerleading Advisor.

This year the Senior Class of '68 will leave Moravia Central School always remembering and thanking you, Miss Parker.

Class History

In 1964 The Freshman Class, under the advice of Mr. Wood, Mr. Nares, Mr. Morton, and Mr. Board, managed to clutter the 1st floor of M. C. S. We voted Tom Donald, Class President; Sherrie Covert, Vice President; Barb Bean, Secretary; and Sue Robinson as Treasurer. As Freshmen we gained the honor of holding our 1st dance, "Around the World" featuring the Cindells.

In 1965 The Sophomore Class marched from 1st floor of M. C. S. to clutter the 2nd floor. With the guidance of Mr. Bennett, Mrs. Miller, Mrs. Hummel, and Mr. Pennella, we managed to avoid the seniors. We elected Tom White - President; Charlie Lieber - Vice President; Cindy Matijas - Secretary; and Louise Murphy - Treasurer. Deciding to make our 2nd dance a smash hit, we held "Granny's Night Out" with the Esquires.

Our Junior year was typified by the traditional event of "Slave Day". Only on this day did the Seniors finally realize we even existed. Under the advice of Mrs. Bennett, Mr. Dewey, Mrs. Hummel, and Mrs. Miller, we managed to clutter the halls even more. A "Sadie Hawkins Dance" with Mike Bailey as Lil Abner and Patty Powers as Daisey Mae was held. Finally, we reached the highlight of our year, the Prom, "Night on Paradise Isle" with the Highlanders. Our King, Chris Knowlton, and Our Queen, Janet Smith. Our class officers were: President - Sherrie Covert, Vice President - Doug Cornwell, Secretary - Claudia Clark, and Treasurer - Louise Murphy.

When we received our class rings, we gained also the knowledge the graduation would only come too soon.

1968! Seniors! With President - Jack Donald, Vice-President - Ed Robinson, Secretary - Nancy Mackey, and Treasurer - Bill Flesher we have succeeded in making our last year at M. C. S. Slave Day came with more rewarding results than the last time. Our advisors: Mrs. Hummel, Mrs. Miller, Mr. Dewey, and Mr. Charles. We look back with realization that all the work in the past four years was really worth it. And as we order our caps and gowns we realize that at least no longer we clutter the halls, because as Seniors we now own them.

Debate Club amasses individual and team honors

Traveling a circuit of success, the debating team has brought home many honors to M. C. S. during the past few years. This past year, in addition to being the Syracuse-Ontario Regional Champions and Cayuga County League and Tournament stalwarts, the team also participated in the state finals at Albany. Numerous honors were heaped on the participants. J. Mark Hefner was judged the best speaker at the Hamilton College Tournament, Cayuga County Tourney, and the Regional Tournament. Lauren Patterson added an outstanding speaker's trophy to her awards at the Regional Tournament. Seniors Dave Small and Charles Lieber completed the unbeated team and placed on the second team of the All-County squad. Freshman Ted Barraco stood by as a capable substitute throughout the season.

First place in the Moravia Invitational Run; Second in the Cincinatus Invitational; League Champions; Number One in the County. These honors were compiled by the Varsity Cross-Country Team in addition to the 6-0 record in dual meets. Led by senior Roger Francis, and supported by vigorous J.V. runners, the team was the first to represent Cayuga County in the New York State Meet since 1950. Here too, the "running devils" did well by placing Seventh in the state. Coach Scarry has nothing but praise and an optimistic eye on the future for all of his runners, noting that the J.V. squad took the J.V. run at the meet at Cincinatus.

Ending a fine season with an 8-4 league record the Moravia Blue Devils completed the first winning season for varsity basketball in 4 years. Coach Derenberger's squad has the rare distinction of beating every team they faced in league competition as well as competing in the sectional contests. With the return of some seasoned talent and the advancement of some promising young prospects, next year's hoopsters promise to be a prospect to capture league honors.

The Blue Devils of track ended their 3-year winning streak last Spring with a hair-raising defeat at the hands (and feet) of rival track powerhouse Weedsport. Within these 3 years Coach Scarry's cindermen literally dominated track and field by copping 3 league championships, 2 county championships, and a sport highlight with the '66 sectional championship. As a sidelight, the team also tied a league record by taking sixteen dual meets in a row, an achievement previously accomplished only by Cato Meridian. Coach Scarry and his squads are to be commended for their devotion to their school as well as to their sport.

A small squad which produced a very respectable record led Coach Bennett to praise the team's hussle and spirit. Several "squeakers" left the team feeling only slightly disappointed after they had given their all. The dependable pitching of Toad "shut-out" Morris provided thrills a-plenty throughout the short season.

Coach Myers' J. V. squad had a very successful year compiling a fine 10-5 overall record and a tie with Manlius for 2nd place in the league standings. Perhaps the highlight of their season was the defeat of Manlius on the losers' own hardwood; this assured them of their runner-up spot in the league standings. Coach Myers is optimistic toward next year's season due to the return of some fine young talent and some prospects from the intramural program.

Even though we don't have an Alma Mater, School Is Never Out at Smith-Corona.

If you're about to go through the regent's wringer, you may not appreciate the never out bit.

Once you're in the world of work and discover that advancement equates with self-development, you'll find the School Is Never Out philosophy reassuring. So, after high school . . . after college . . . after thinking deeply about yourself . . . talk with us about joining the class of '68, '69, '70, '71, '72. Our seniors often graduate with a 40 year service pin and keep on going to school . . . just for kicks.
